

Access Statement – Royal Welsh College

Location: Cardiff

Offer: Access Statement

Value: £20 million

Evans Jones was appointed at the Detailed Design Stage to complete a Design Appraisal of the scheme and to then write an Access Statement in support of the Building Regulation Application.

Our statement was used to deal with a number of details where best practice was difficult to apply. By working with the architects and Building Control Officer solutions were found to these issues and approval was issued based on our statement.
