Project Overview:

CEvans Jones were appointed to complete a full Building Survey on a Country Manor House. The property comprised of a substantial flat within the Grade II Listed building.

Challenges:

Our building survey included an extensive inspection of the whole building envelope to establish any significant maintenance issues which could affect the future service charge.

Service: Residential Surveys

Location: Cotswolds

Results:

As part of our inspection, we identified rot infestation to the flat, allowing the purchaser to re-negotiate and put the necessary works in hand immediately upon completion.
