

University of Gloucestershire

Location: Oxstalls Campus

Offer: Project Management

The project involved the conversion of the former SU bar into a modern office space.

Evans Jones was appointed as Project Managers to take the project from feasibility through to completion on site.

Re-configuration of the existing M & E systems presented a particular challenge as the requirements for a bar in comparison to a modern office space are very different.

"The University has worked with Ian and the team on a number of projects at Francis Close Hall and Park Campus. We have been very pleased with the service provided and view Evans Jones as a valuable member of our supply chain". **Nigel Wichall, University of Gloucestershire**
