Project Overview:

Evans Jones was appointed to monitor the development of a new Travelodge in Walthamstow, London. The new 107 bed Travelodge formed part of a major redevelopment of Walthamstow Station, including the creation of 4 retail units and more than 220 flats.

Service: Project Monitoring

Location: Walthamstow

Results:

Constructing close to a working station posed unique challenges to the whole team, but due to Evans Jones' project management capabilities, the hotel completed in mid-July just in time for the summer holiday trade.
