

## Evans Jones Ltd - OH&S Policy

Evans Jones Ltd is committed to prevent injury and ill health so far as is reasonably practicable in all business activities associated with the services we provide our customers. We implement documented procedures for all functions aimed to meet requirements of OHSAS 18001:2007 and which provide a framework for establishing and reviewing the Company's OH&S objectives and targets. We are committed to continuously improve our OH&S performance and are committed to ensure complete compliance to applicable legal requirements as well as other requirements pertinent to our business activities. In addition to this, we will:-

- Undertake regular reviews of our system, measure our existing OH&S performance and report to the Partners to instigate continual improvement of our methods and procedures.
- Undertake risk assessments in order to identify areas at risk, reduce those risks to make it as safe as reasonably practicable for those people who come in contact with our activities.
- Provide safe systems of work throughout our business activities.
- Promote a positive health and safety culture with our staff, suppliers, subcontractors, clients, end users, and those other organisations with whom we have contact
- Provide built-in safety design criteria to all projects we undertake.

We are serious about the policies we have declared. These have been established and agreed and endorsed by the Directors. We have documented and implemented an Integrated Business Management System, compliant with the requirements of BS EN ISO 9001:2008, BS EN ISO 14001:2004 and BS OHSAS 18001:2007.
